## Flashforward/Adobe Official After-party "Leaders of the Industry" for the Flashforward Conference 2008 at the Supperclub, SF

August 20, 2008

*"Amanda produced the "Leaders of the Industry" after-party for the Flashforward/Adobe Conference at the Supperclub, SF in August of 2008. The event was a huge success and we have are still getting tremendous feedback from the attendees. The music was great, the food was delicious, and the live Aerial performance was super fun to watch. She helped organize a round-table speaker session where the top Flash experts were able to share the latest accomplishments in our industry, so it was a very effective component. She was highly organized and a really great event manager from beginning to end. Her exemplary people skills and hard work ethic makes her truly good at what she does."*
