

ABCey EVENTS

The Study Group Global Management Conference Dinner at the SF MOMA

August 14, 2008

"I worked with Amanda Cey from ABCey Events in August 2008 when I was asked to organize the Global Management Conference dinner in San Francisco and I am based in Sydney, Australia! I've organized a lot of events in my own city but was at a loss as to where to start in San Francisco. It was my great fortune to come across Amanda's website and from the moment she answered by query email I knew I was in great hands and didn't have to worry about the event. Amanda is prompt, responsive, imaginative and creative. I found all her suggestions and amendments to my event brief to be well thought out and extremely helpful. Our event was a great success and memorable for all those who attended. I highly recommend Amanda and ABCey Events to anyone looking to plan an event in San Francisco. If I ever have to organize anything in San Francisco again I know who to call!"

Carolyn Clark, Executive Director of The Study Group www.studygroup.com

The Study Group

The Study Group helps over 40,000 international students fulfill their ambitions every year. They are global leaders in international education, providing the highest quality educational opportunities for students from over 120 countries. Spanning five continents, they are both global and local.

From English language training, high school tuition to university preparation and placement, their expertise is focused on delivering the courses that international students need. Our leading set of partnerships with top universities provide on and off-campus preparation courses for international students that ensures academic success.
